

# Connect with us!

**Working hard to reach our goals through:**

**Homework Time**

**Reader Leader**

**Health and Wellness**

**Science** (hydroponics and outside garden)

**Technology** (computer and problem solving activities)

**Engineering** (projects)

**Art** (creative mind)

**Math** (review games on and off computer)

**Music** (recorder lessons)

**ASEP** is STEAMING along focusing on improving academic enrichment, character development, providing individualized attention in deficit areas and helping working families.
